

***Technical Education and Skill Development Authority  
(TESDA) and Asian Development Bank // Project  
Management Consultants (PMC) for Supporting Innovations  
in the Philippine Technical and Vocational Education and  
Training System Project***

Big news from the Philippines! IPE Global is proud to collaborate with Technical Education and Skills Development Authority (TESDA) and the Asian Development Bank (ADB) to elevate the nation's TVET ecosystem.

In a grand ceremony, attended by [Key Officials and Guests], this ambitious partnership was formalized, marking a major step toward reshaping the future of skills development. Along with strengthening the TVET system, the team will also support the establishment of cutting-edge Regional Technology Innovation Centres (RTICs) to drive research, foster industry linkages, and support start-ups, ensuring alignment with the Fourth Industrial Revolution.

With this initiative, IPE Global along with our partner Malaysian Institute for Technology Academy (MITA) will help create new opportunities, drive innovation, and shape a brighter future for the Filipino workforce of tomorrow!
